

Crosshairs Law Enforcement Scoped Rifle Training

Basic Police Sniper

The course is designed for in-service training specifically for officers who are presently serving in this position. It is suitable for entry-level officers who may be assigned a police sniper team position. Students can expect training time of approximately 46-48 hours.

The core of the course curriculum will, but not be limited to; Rifle and Range Safety, Marksmanship Fundamentals, Position Shooting, Effects of the Weather, Cold Bore and Data Book Documentation, Zeroing, Rifle Handling Skills, Maintenance, Role and Responsibilities, Tactical Communication, Moving Target Engagement, Practical Shooting Exercises, Dim Light Orientation, Engaging Intermediate Barriers, Case Studies, Proficiency Course of Fire and a Written Examination culminating in a certificate of proficiency.

Shooting exercises for this school are designed for the bolt action law enforcement rifle equipped with telescopic sight adjustable for elevation and windage. **Please note: in order to successfully complete the school, the rifle/ammo combination should be capable of consistently firing a five (5) shot group not larger than one minute of angle (One inch at 100 yards).** It is suggested that the caliber be not less than .223 nor greater than .300 Win Mag. Experience indicates that rifles of the "carbine" type are not suitable for this type of training. The emphasis in this school will be on precision marksmanship at longer distances.

The cost is \$695 per individual. Please remit purchase order, check or money order along with entry application payable to Crosshairs, Inc., 260 Hurricane Rd., Keene, NH. 03431. One application per student please (application may be copied). Pre-register by calling (603) 357-2604. **Registration forms are available on our webpage – www.crosshairs.org**

Department letterhead authorizing attendance for each student is required from the Chief of Police or Agency Director. Students are responsible for their own ammunition, transportation, meals, and lodging arrangements. **Crosshairs Inc. and any host agency are not responsible for any expenses incurred in the event the training is cancelled for any reason.**

PLEASE NOTE all applications and tuition/ PO must be received prior to beginning of class. Registration Fee covers tuition, comprehensive classroom manual, and all classroom and range materials and range fees (if any). Confirmation will be sent upon receipt of application and tuition.
