

A two-day in-service course of study reviews every relevant issue concerning the Police Sniper. The course is suitable for tactical officers who serve in the role of Police Sniper, Sniper Team leaders, SWAT Supervisors, Commanders and Agency Administrators.

Curriculum will include:

- Role of the LE Sniper
- Sustainment requirements
- Legal Issues and reducing agency liability
- SOP development
- Establishing and Building a Team
- Selection Criteria
- Fitness
- Selection of proper Equipment
- Improving your training program
- Qualification Standards
- Deployment and Tactics
- Team Capabilities and Limitations
- Media Relations
- Case Studies

The course will provide those attending the knowledge they need to establish, equip, train, utilize, and supervise an effective, efficient and successful police sniper program.

Knowledgeable supervision and command can make the difference between success and failure of a professional police sniper program and overall tactical operations.

Attendance is open to active law enforcement officers only. Certificates of training will be issued upon completion of the class.

The cost is \$125 per individual. Please remit purchase order, check or money order along with entry application payable to Crosshairs, Inc., 260 Hurricane Rd., Keene, NH. 03431. Applications may be found online - [www.crosshairs.org](http://www.crosshairs.org)

Students are responsible for their own transportation, meals, and lodging arrangements. Crosshairs is not responsible for any expenses incurred in the event the training is cancelled for any reason.
